## ABOUT

Circle K International is a collegiate community service, leadership development, and fellowship organization sponsored by Kiwanis International as a service leadership program (SLP). With more than 13,600 members on more than 500 campuses in 19 countries worldwide, CKI is the largest student-led service organization of its kind in the world.

## ORGANIZATION

CKI is a self-governing organization comprised of students who embrace our club motto, "Live to serve. Love to serve." We offer many leadership opportunities to members at all levels—club, division, district, and international level—of our organization. Each chapter club conducts their own meetings, sets their own agenda for the service year, organize and implement projects that have a local and global focus, and establish their own due structure.
